About 3 on 3 Hockey

3 on 3 combines the fun of a spring league while enhancing a players individual skills

Development of players hockey skills that traditional 5 on 5 hockey games don't provide

Fewer players on the ice means more time to handle and shoot the puck

Goaltenders are increasingly challenged because it's such a wide open game

Be a part of the fastest growing team concept in the country

Great for developing transitional skills from offense to defense

League Specifics
