

## Private Skating Lessons

Available to all ages and levels of skating! Semi-private lessons are also available.

Not sure what to do after the Basic Skills program?

Is your skater struggling with their current badge level?

Has she/he expressed interest in doing more skating but you just don't know what's out there?

Private lessons are for you or your skater!  
Ideal for hockey and figure skating!

Don't be intimidated by the thought of private lessons. Contact the Graf Rink front office and ask for Nikki. She will be more than happy to explain your options and help you get on your way!

Happy Skating!

When? Private lessons are available during Freestyle sessions and public skating sessions. Skaters usually pass basic 5 before skating on freestyle sessions but this is not mandatory.

Who? Private lessons are available for those wishing to participate in competitions, testing, want to progress at a faster rate, or just to get help with a particular element that he or she finds difficult.

Adults, tots, boys, girls, hockey, figure skating.

How long? Lessons are given in 15, 20, 25, 30 minute increments, depending on what you and your instructor decide is appropriate.

Cost? The instructors charge between \$20-\$30 for a ½ hour lesson. You are responsible for paying for the fee to skate and then the lesson fee to the coach.

How? Contact the front office and speak to Nikki. She will distribute all contact information for the coaches.
